

Dear parents, caregivers and community members,

Last Tuesday all students in year 4, 5, 6 and 7 were provided with a fantastic opportunity to see a live performance by the Adelaide Symphony Orchestra at their studios in Adelaide. The show was titled “who needs a conductor, anyway” and explained the vital role a conductor plays in an orchestra. All costs associated with us attending the performance were covered through our association with Carclew and Music Match. We appreciate the opportunities this provides for our students to be involved in these wonderful learning experiences.

### Year 7 Jumpers

Last Friday our year 7 students were presented with their year 7 jumpers at our end of week assembly. We think they look great!

### Legends Cup Reading & Numeracy

A reminder to everyone that we are aiming to have EVERYONE complete their 3 nights of reading and numeracy practice at home **each week**, and have it signed off in communication books. Please encourage your child to practise these important skills at home, and sign it in their communication book. It only takes 6 seconds to pick up a pen to initial the 2 boxes!!

Have a great week!  
Travis

## Student Well-being

### RAA Street Smart Programme

#### School visit

Last week all students were involved in activities presented by the RAA. Topics included pedestrian, road and bike safety. The presenter was very complimentary about the attentiveness of our students.

The following may be of interest to you:

The law states that children seven years and over must use an approved child restraint, until they're able to wear a properly adjusted and fastened seatbelt.

Most seven year olds can't fit a seatbelt properly; in fact many children won't be able to wear a seatbelt properly until they're 10 years or more. It is also important to remember that children are safest in the rear row of seats.

It is recommended not to put a child under 12 years in the front row with an airbag.

**Did you know..?** Many children don't fit an adult seat belt properly until they are at least 145cm tall.

#### Cleaning recommendations

With winter here we all need to remember to wash our hands:

- before preparing food
- after caring for someone who is ill
- after socialising or going on a play date with someone who is sick
- after handling rubbish.

Tip: plain old soap and water is best, but if you use hand gel, opt for an alcohol – based formula with at least 60 percent alcohol.
