

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department’s position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Parents/Carers will need to complete the attached consent form and return it to the school office **BEFORE** their child/children brings a mobile phone to school. There needs to be a separate consent form for **EACH** child. The reasons for bringing a mobile phone to school will need to be approved by the Principal.

Storage of personal devices

1. On arrival at school the student will switch off and sign their **CLEARLY NAMED** mobile phone into the office and place in a collection tray.
2. Students can collect their mobile phone from the office at the end of the day.
3. Whilst the school office will secure the mobile phones for the duration of the school day the school will not accept responsibility for damage or theft.
4. If you need to contact your child/children during school hours the Front Office remains the most appropriate and immediate point of contact. **Phone 85 723 266**

If the student does not comply

If your child brings their mobile phone to school without a consent form or fails to pass it into the office the following consequences will follow:

1. **First Offence** - Phone is turned off, handed over to a staff member, placed in the office, noted in log book. Senior Staff will contact the student’s parents requesting phone to be collected at the end of the day.
2. **Second Offence** - Phone is turned off, handed over to a staff member, placed in the office, noted in log book. Mobile phone to be picked up by parents and the student cannot have their phone at school for the remainder of the term.
