Issue 10

Dear parents, caregivers and community members,

It is very hard to believe that we are about to hit the halfway point of our school year! It has been an extremely busy and productive 2 terms, and time has flown! (time flies when you're having fun!!)

We are currently finalising mid-year reports for all students which will be ready to go home on Friday. I encourage everyone to take the time to carefully read the reports, celebrate successes, and discuss the goals and next steps for further development. This will be a focus for us all at the beginning of next term. We should all be proud of what we have been able to achieve as a collective over the first half of the year. I know I am!

Big Day In - Thursday

This Thursday is our end of term **Big Day In**. The "Big Day In" is a celebration, rewarding positive behaviour and respect for teaching and learning throughout the term. During the day, students will participate in a number of fun and engaging activities that will be run by staff members. We will also be providing hotdogs for everyone as a free lunch.

Baby Bruce

A very big congratulations to Louise and Adam Bruce (and Freddy!), on the safe arrival of their daughter, Sadie. We're excited to have Sadie as part of our team!

Have a relaxing break!

As we draw to the close of term 2, I would like to take this opportunity to thank all students, staff, parents and the community for your support during what has been an extremely busy term.

We are a great team which makes for a great school! I hope everyone has a relaxing break, and I look forward to working with you all again in a positive way next term!

Have a great week and break!

Wellbeing News

When you remain calm, you remain smart

“There was once a boy and a girl who both had bad tempers. Their parents gave them a bag of nails and told them every day one of them lost their tempers, they must hammer a nail into the back of the fence.

The first day the children hammered in 37 nails into the fence. Over the next few weeks, as they chose to control their anger, the number of nails hammered daily gradually dwindled down. The children discovered it was easier to hold their tempers than to drive those nails into the fence.

Finally the day came when the children didn't lose their tempers at all. The children told their parents and they suggested that the children pull out one nail for each day that they were able to hold their tempers.

The days passed and the children were finally able to tell their parents that all the nails were gone. The parents took their children by the hand and led them to the fence. They said “You have both done well but look at the holes in the fence. The fence will never be the same. When you say things in anger, they leave a scar just like this one. It won't matter how many times you say “I'm sorry”, the wound is still there. Remember a verbal wound is as bad as a physical one so always think before you act. When you decide to tell the truth do it kindly and gently. And always remember when you remain calm, you remain smart”.

Wishing you a happy and safe holiday.

Regards,

Marie Flavel
Student Well-being Leader

Kiwanis Terrific Kids

A very big congratulations to our term 2 Kiwanis Terrific Kids award winners from each class. Over the last term they have successfully demonstrated the Terrific qualities of being **Thoughtful, Enthusiastic, Responsible, Respectful, Inquisitive, Friendly, Inclusive and Capable.**

SRC News

Yesterday the semester 1 SRC Reps attended their final SRC meeting for the semester. We would like to thank the following students for their tremendous efforts in being great SRC Representatives for their respective classes and for being great leaders in our school.

Well done to:

Becci, Max A, Sienna, Theo, Anna, Brodie F, Ruby C, Jett B, Bella C, Harry, Milly, Bai, Skye, Heath, Savannah, & Iliyas

We look forward to inducting our new SRC Reps for semester 2 early next term.

Fundraiser

Our final fundraiser for the term will be on Wednesday the 30th June. The SRC would like to hold a Casual Clothes Day where students can choose to wear casual clothes at school for a gold coin donation. All funds raised will go to our SRC. Thanks for your support.

Donation

Mr Robbo popped in for a visit the other day and gave a \$100 donation to the SRC from recycled cans and bottles he had taken into Murray Bridge for our school. Thanks so much Mr Robbo!

Thank You

On behalf of the Tailem Bend Blue Light Committee and the Monarto Safari Park, I would like to thank anyone who has deposited an old mobile phone into the collection box in the front office. Our Year 6 and 7 students will be attending camps early in term 3 and will be giving our collection of phones to zoo staff while on camp.

Our Wonderful Neighbour

On Monday of Week 9 the SRC Executive and the Year 7 SRC Reps had the pleasure of visiting our wonderful neighbour Philip who allowed the students to pick oranges and lemons to bring back to school. The following day the whole school was able to enjoy pieces of oranges for recess. We would like to extend a huge thank you to Philip for his generosity. Philip was able to attend last week's assembly where he was presented with a thank you card signed by all of the SRC Executives and Year 7 Reps.

Thank you also to Kaya Goodwin, Sienna Moyle, Theo Kerr and Eddie Blucher who cut up the oranges for our students.

The SRC would like to wish everyone safe and restful holidays.

Thankyou,
Dani Schubert
SRC Co-ordinator

Morning Reading Sessions

Last week our Morning Reading Sessions began in the Library. Our House Captains are available in the Library on **Tuesday, Wednesday and Thursday** mornings to listen to reading and to help with Numeracy tasks. Students who are unable to complete their Reading and Numeracy homework at night are able to go to the Library on these mornings between 8:30 and 8:50am to catch it up. The House Captains will sign Communication books, therefore enabling students to earn points for their House Teams in the Legends Cup.

Next term, some extra Year 7s will be helping in the morning reading sessions. House Captains will also be giving some extra encouragement to identified students who consistently don't complete their Reading and Numeracy homework. House Captains will listen to anyone read, not just their own House Team members. Thank you to all our House Captains who are dedicated to helping our students. **What a great example of Respect for Community!**

CFS Shed Visit

On Friday 18th of June our Year 5, 6 and 7 students had the opportunity to visit the Tailem Bend CFS Shed. We would like to thank Captain Dwayne Martin and Fire Fighters Dev Aggett and Brendan Bartlett who gave us a tour of the CFS shed facilities and trucks. The students were also able to listen to information about the CFS cadets and the activities they do. Thanks also to Mr McEntee who spoke to the students on the tour and transported us all safely to and from school in the school bus.
